# Your Boat

All cruises are categorized as 5 stars. But there is a different categorization to them based on : quality & variety of food, size of cabins, service, and sailing time. You can find :

- 5 stars Standard. (3 stars european standard)
- 5 stars Deluxe. 4 stars european standard)
- 5 stars Luxury. (5 stars european standard)

Accommodation is full board. All meals are included, not the drinks. All drinks are extra (even water). You can order anything and pay all the extras at once upon checkout.

The standard sized cabin is good for two adults with their luggage, or for two adults and a child. Generally, we don't recommend a triple room for three adults as it will be tight. Each cabin is equipped with a private bath with shower cabins, safe box, wide screen windows, air-condition, protection and smoke detector, daily housekeeping service, and laundry service upon request.

# Your hotels

For the better deal, choose a 3 stars hotels for this package and get good hôtels, with perfect location, clean and safe.

4 stars

Our recommandation. Choose a 4 stars hotels for this package to get hotels in the best location, comfortable, relaxing and with the best price.

5 stars

Travel in class with only 5 stars hotels, with swimming pools, room service, and all you will need during your stay.

# Red Sea

For your Red Sea vacation, you can choose between Hurghada, Sharm El Sheick or Dahab.

Hurghada

This seaside resort is bordered by a beach that stretches some forty kilometers along the Red Sea. It is famous for its turquoise waters and, above all, for some of the best diving in the world.

Sharm El Sheick

Vacations in Sharm El Sheikh are a real challenge for scuba diving. In addition, this place is full of luxury boutiques, family restaurants and great bazaars.

Dahab

Nestled in the shadow of Egypt's Sinai Mountains, Dahab is such a seductive destination that some have chosen to make it their home soon after visiting.

## Tour

This tour is a compact package. It includes lots of site visiting and early wakeups. so, prepare yourself for an adventure as this is not the relaxing type of a tour.

The order of visits may change but all visits will be made.

## Pickups/Drop-offs

Pickups and drop-offs are from/to the airports/train station/hotels.

## Shopping

Shopping is part of the experience, and we encourage you to buy stuff you would like to have to remind you with your trip.

But you must handle the price as salesmen always double (or sometimes even triple) the actual value of their products.

For the best deal you can have, we recommend you consult with your tour guide to guarantee fair price and good quality.

## Internet on boat

Most cruises/hotel have Wi-Fi service for an extra charge. But we don't recommend buying it from the cruise as it doesn't give you access except in the lobby and a very weak signal during sailing times.

It is widely recommended to buy a local SIM card from one of the local operators (Orange – Vodafone – Etisalat) and install it in your phone. It will be much cheaper than the cruise Wi-Fi and will grant you access at all times.

## Tipping

Tipping is a customary thing in Egypt and Jordan. The tipping required is for :

Crew members onboard the cruise. You can tip them on the last day by an envelope given to reception desk (average is 7 \$ per person per night)

The second category is drivers, agents, and tour guides (average is 13 \$ per person per day) and to be given directly to the person by the end of the service.

## Kids

Children must be accompanied by an adult.

Child rate applies only when sharing with 2 paying adults. Infants must seat on laps during transportation and tours, but the cruise can supply infant seats while onboard.

Children between the age of 6 to 11 years old can share with parents the same cabin but with the maximum number of 2 children in one room.

## Hot Air Balloon

Kids below the age of 6 years old are not allowed on the hot air balloon ride. Also, in case of the cancellation of the hot air balloon ride due to bad weather, security reasons, ... etc., you will be refunded by 25\$ per person.

In addition to, the professional cameras are not allowed on the hot air balloon while flying, you can only use the cell phone for photos and videos.

## Medical conditions

Clients with medical conditions are not advised to do this tour as it requires a lot of effort, long drives, and early wake ups.
