Your Boat

All cruises are categorized as 5 stars. But there is a different categorization to them based on : quality & variety of food, size of cabins, service, and sailing time. You can find :

- 5 stars Standard. (3 stars european standard)
- 5 stars Deluxe. 4 stars european standard)
- 5 stars Luxury. (5 stars european standard)

Accommodation is full board. All meals are included, not the drinks. All drinks are extra (even water). You can order anything and pay all the extras at once upon checkout.

The standard sized cabin is good for two adults with their luggage, or for two adults and a child. Generally, we don't recommend a triple room for three adults as it will be tight. Each cabin is equipped with a private bath with shower cabins, safe box, wide screen windows, air-condition, protection and smoke detector, daily housekeeping service, and laundry service upon request.

Tour

This tour is a compact package. It includes lots of site visiting and early wakeups. so, prepare yourself for an adventure as this is not the relaxing type of a tour.

You will be informed about all details of the program by the escorting tour guide of Tity Voyages on daily basis either in person or via WhatsApp message.

The order of visits may change but all visits will be made.

Pickups/Drop-offs

Pickups and drop-offs are from/to the hotels on the East side of the city (either Aswan or Luxor).

Any pickups or drop-offs on the other side are extra and to be organized before the day of the tour.

Shopping

Shopping is part of the experience, and we encourage you to buy stuff you would like to have to remind you with your trip.

But you must handle the price as salesmen always double (or sometimes even triple) the actual value of their products.

For the best deal you can have, we recommend you consult with your tour guide to guarantee fair price and good quality.

Internet

Most cruises have Wi-Fi service for an extra charge. But we don't recommend buying it from the cruise as it doesn't give you access except in the lobby and a very weak signal during sailing times.

It is widely recommended to buy a local SIM card from one of the local operators (Orange – Vodafone – Etisalat) and install it in your phone. It will be much cheaper than the cruise Wi-Fi and will grant you access at all times.

Tipping

Tipping is a customary thing in Egypt. The tipping required is for :

Crew members onboard the cruise. You can tip them on the last day by an envelope given to reception desk (average is 200 EGP per person per night)

The second category is drivers, agents, and tour guides (average is 400 EGP per person per day) and to be given directly to the person by the end of the service.

Kids

Children must be accompanied by an adult.

Child rate applies only when sharing with 2 paying adults. Infants must seat on laps during transportation and tours, but the cruise can supply infant seats while onboard.

Children between the age of 6 to 11 years old can share with parents the same cabin but with the maximum number of 2 children in one room.

Hot Air Balloon

Kids below the age of 6 years old are not allowed on the hot air balloon ride. Also, in case of the cancellation of the hot air balloon ride due to bad weather, security reasons, ... etc., you will be refunded by 25\$ per person.

In addition to, the professional cameras are not allowed on the hot air balloon while flying, you can only use the cell phone for photos and videos.

Medical conditions

Clients with medical conditions are not advised to do this tour as it requires a lot of effort, long drives, and early wake ups.
